

# Let's make money!

## Answers

### It's good because:

It's an easy job to get and do.
You can make a lot of money quickly, if the police don't catch you.
You can make lots of money without working or breaking the law.
It's a good job that pays well.

### You can make money by:

<b>Playing the stock market.</b>
<b>Becoming a doctor.</b>
<b>Working in a supermarket.</b>
<b>Robbing a bank.</b>

### It's bad because:

You have to study for many years before you can get a job like this.
You may lose money if you're not lucky.
You can go to prison.
It is a boring job that doesn't pay much.
